

Truck Bed Release
is not always a
choice between
performance or
economy

GreenGuard
Raise The Shield!

GreenGuard performance
on a Superpave 76/22 job
after hauling millings back
to the plant.

GreenGuard combines excellent economy with truck bed performance

- ◆ Dilution ratios as high as 20:1 for commercial grade asphalt
- ◆ Low freezing point
- ◆ Easy to use and mix with water
- ◆ DOT approved or meets all DOT specs for truck bed release agent
- ◆ Industry leading spray equipment available and serviced by BG Chemical

BG Chemical...a better way to do things
